Dear FCC:

I am writing to complain about the proposed changes to the Universal Service Fund and requesting that the FCC investigate this matter further before changing the current policy. Your proposed \$1.00 per month charge for all wireless phones will directly impact my ability to retain my wireless service.

I do not think it is fair to charge EVERYBODY \$1.00 dollar regardless of how they use their wireless phone, especially for a low-volume user that relies on wireless service for safety and security, not interstate calls. The current policy is fair, based on interstate usage, and should be left alone. Please do not penalize us. Keep this fair.

ALSO, SOMEONE IS ALWAYS RAISING PRICES FOR SOMETHING! WHY? WHO IS GOING TO GET A FAT POCKET OFF OF THIS ONE? SOMEONE IS! I BARELY EVEN USE MY PHONE AND THINK THIS IS UNFAIR!
WHAT WILL THE CHARGES DO? WHAT IS THE REAL PURPOSE? BOTTOM LINE IS THIS IS UNFAIR, TURN THE TABLES AND WE WILL SEE WHAT YOU SAY IF IT WAS YOU THAT WAS BEING AFFECTED!

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,
